

September 10, 2009

Dear Families and Friends of PES,

As changes and events occur at school, we want to make sure you receive accurate information. Here are a few changes and responses from this week's events:

Bus Route Change: If your students ride Orange or Green Bus, please note the changes on those bus routes. They will begin on Monday morning. We want prevent the overcrowding of one bus.

The updated 2009-10 Bus Routes are attached to this letter. For child safety reasons, routes are no longer published in the newspaper. If you have transportation questions, please contact Carol at Robertson Transit at 726-4463 or our office.

President Obama's Address to Students: As a school, we appreciated the flexibility of when and how to show President Obama's address to students. Since we were in the midst of school picture day, which takes place in our media center, we will air the address on an individual classroom basis. The message of setting goals and working hard to meet them aligns with our efforts. Grades 3-8 will be viewing and using President Obama's address. If you or your student does not want to participate, please let the teacher know and an alternative assignment will be provided.

H1N1 Update: Each classroom is stocked with hand sanitizer and hand washing is encouraged throughout the school day. Check out our website for more information.

Reminders: On September 18, we will have our Community of Caring BBQ—rain or shine! Thank you, in advance, for all the hard work and contributions.

On September 24, I am offering three opportunities for Coffee and Conversation—8 a.m., 3:30 p.m. and 6:30 p.m. The focus will be on the PES Vision. I hope you can join us. Your input is important.

As always, do not hesitate to contact us with questions or concerns.

Sincerely,

Julie J. Flynn
Principal
